Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Monday 11 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain turning to snow high ground. Drier, clearer this evening.

Today:
Cloudy and starting mainly dry. Rain will extend southwards to all parts later this morning and early afternoon. Rain will turn to snow on higher ground before clearing early this evening. Maximum temperature 7 deg C (45 deg F).

Tonight:
Mainly dry with clear periods and a few wintry showers, mostly over north Aberdeenshire. A cold night with a widespread frost and risk of ice. Fresh northwesterly winds. Minimum temperature -4 deg C (25 deg F).

Tuesday:
Most places will be dry and sunny but a few wintry showers will continue up around Peterhead. A cold day with fresh northwesterly winds easing down. Maximum temperature 4 deg C (39 deg F).

Outlook for Wednesday to Friday:
Dry, cold much of Wednesday with some sunshine. Rain, preceded by snow on high ground arriving overnight and on Thursday. Possibly snow to lower levels. Drier, brighter weather following Friday.
